I am aware that Chi Nei Tsang 3 is primarily an educational process enabling me to care for myself in a more informed way. I know that I am responsible for my own physical, emotional, mental, and spiritual well-being. This training in Chi Nei Tsang 3 will enable me to understand myself better and become capable of functioning more fully as a complete being in harmony with myself. I am not here to be treated for any illness, disease, or disability. With this Taoist meditation practice as taught by Grand- Master Mantak Chia no diagnoses are made, it can in no case replace the consultation with a medical doctor.
