I am aware that Chi Nei Tsang Microcurrent is primarily an educational process enabling me to care for myself in a more informed way. I know that I am responsible for my own physical, emotional, mental, and spiritual well-being. This training in Chi Nei Tsang Microcurrent will enable me to understand myself better and become capable of functioning more fully as a complete being in harmony with myself. I am not here to be treated for any illness, disease, or disability. With this Taoist meditation practice as taught by Master Mantak Chia no diagnoses are made, it can in no case replace the consultation with a medical doctor.
